

**Organizer Information**

Surname (Family name, Last name): Kenichi Ohara

Given name(s):

Department: Faculty of Science and Technology

Affiliation (University, Organization, Company): Meijo University

E-mail Address: kohara@meijo-u.ac.jp

**Session Information**

Session Name: Robotics Middleware Technology

Abstract for the Session:

The aim of session is intelligence sharing based on integrated system based on robot middleware. Robot middleware technology is the one of important technologies to produce intelligent robot system. Through the session, we will share the beneficial information for the reusable software modules, discuss about how to growth the field.
